BOOK OF RA™ DELUXE

Bring to life the adventurer's dream! The famous blue chip game, Book of Ra™ deluxe, is the most popular slot of NOVOMATIC. Discover the mighty Book of Ra™ in this 10-line, 5-reel deluxe version.

Treasures and wealth lie hidden in the vaults of the ancient Egyptian temples, waiting to be discovered in this thrilling slot game.

RED LADY

Ready for boarding, pirates! This time it's a woman wearing the trousers amongst the dark sea crooks – Veronica, known and feared as the 'Red Lady', swings her sword in this slot machine with guile!

5 reels, 10 win lines and the chance of 10 free games make this charming slot also a winnings guarantee online!

THE PLURIUS™ SYSTEM

Plurius™, a true server based gaming solution for casino and VLT markets, allows multi-channel game launches. The main component of Plurius™ is Greentube's remote gaming system NRGs, a robust remote gaming platform that unveils many hitherto unknown possibilities. There is no limitation to a single development technology any more as all games are developed on our outstanding SDK.

...and many more

OMNI-CHANNEL

Greentube's industry leading, omni-channel technology presents customers with a comprehensive, cross-linked gaming portfolio. The omni-channel approach has clearly become a core focus for the company. Therefore, the goal is to provide the best gaming experience to players, be it land-based, online or mobile.

Supported by NOVOMATIC's state-of-the-art technology, Greentube is set to reach new heights by offering unique content across all channels.

ABOUT GREENTUBE

Greentube, the global interactive unit of NOVOMATIC, is a leading developer and supplier of iGaming solutions. Greentube is a wholly-owned subsidiary of the NOVOMATIC Group, one of the largest integrated gaming companies in the world. The well-diversified product portfolio includes Classic Slots, Table Games, Live Dealer Gaming, AWP Reloaded Slots, Server Based Gaming, Social Casino Gaming, Bingo, Poker and more.

Greentube continues to develop classic NOVOMATIC casino games, while new titles emerge from a variety of 3rd parties.
